

The United States War Dogs Association estimates that, since the beginning of their service, dogs have saved approximately 10,000 American lives?

As we see on the Memorial, Dogs are willing give their lives to save our soldiers!

Even with these facts the politicians sit back and allow laws to stay outdated on their care. They allow greed to control, shape and change the laws that are brought forth. Worst off they still allow society to treat these wonderful loving animals like throw away merchandise.
